

**ANIMAL TECHNICIAN (m/w/d)**  
**in Vienna / Austria for 40 hours a week**

Virusure is a biotech company, GLP/GMP certified, expert in virus & prion safety testing of biopharmaceuticals offering a broad range of services (in-vivo and in-vitro GMP testing, GLP safety studies, qPCR testing & sequencing services...). In order to strengthen our in vivo facility, we are looking for highly motivated candidates with work experience in laboratory animal facilities..

**Tasks & Responsibilities:**

- Responsible and appropriate care of our experimental animals housed in IVCs (mouse, hamster, guinea pig)
- Assisting in the performance of in vivo studies
- Working according to standard operating procedures (SOPs)
- Reliable and accurate documentation of all work steps according to GDP (good documentation practice)
- Cleaning activities according to a defined hygiene concept for BSL-2/animal laboratory areas
- Operation of an autoclave
- Ordering and management of stock reagents (detergents, disinfectants, feed, enrichment, bedding, etc.)
- Participation in the creation of work instructions and protocols
- Report to superior and quality assurance

**Your Profile:**

- Completed animal caretaker school or/and equivalent experience in laboratory animal care
- GLP/GMP knowledge and experience is an advantage
- Basic computer knowledge
- At least 3 years of experience in the bio-pharmaceutical industry (autoclaving, animal husbandry in IVCs, GDP, etc.)
- Accurate, diligent, organized, and proactive
- Ability to work autonomously, self-organized
- Good knowledge of English
- Very good communication skills
- Willingness to work with infectious biological agents (i.e., viruses or prions)
- Willingness to wear personal protective equipment when handling biological agents, chemicals, etc.
- Willingness to learn, flexibility, team spirit
- Willingness to do weekend shifts from time to time

# VIRUSURE

Quality is no coincidence

## What we offer:

- Full-time position (40 hours) in an established company with flat hierarchies and short decision-making paths
- A high degree of personal responsibility and a large amount of freedom to make decisions
- A lot of freedom for personal and professional development and training
- A dynamic, friendly, and exciting growing environment
- Regular team and company events in a relaxed atmosphere
- Flexible working
- The monthly gross salary on a full-time basis is offered at 2.500€ brutto and can be adjusted depending on experience and qualification.

## How to apply?

If you are interested in this exciting position, a friendly working environment is important to you and you want to support our team, please send your CV and cover letter to: Fr Dijana Vasiljkovic (Assistant to CEO)
