

Senior Scientist/GLP Study Director (m/w/d)

Virusure is a GLP/GMP certified biotech company specializing in virus & prion safety testing of biopharmaceuticals. We offer services in the area of pathogen safety to the bio-pharmaceutical industry such as GMP Testing *in vitro* (e.g. adventitious agent testing using cell assays & qPCR/sequencing), GMP Testing *in vivo* and GLP Virus and Prion clearance studies.

As Virusure is currently increasing its capacity with the extension of its laboratory area, the GLP team is looking for motivated and experienced scientists to perform GLP Studies.

Tasks & Responsibilities:

- Conduct of GLP virus and prion studies including design of scale-down model of manufacturing process steps, planning & performance of experiments, data analysis, interpretation, and reporting.
- Evaluation of the capacity of different types of down-scale downstream processes (chromatography, filtration, precipitation steps...) to inactivate/remove prion or viruses.
- Management of several projects.
- Support to other Study Directors.
- Communication with clients from the design until completion of the study.
- Strong focus on quality by ensuring GLP compliance.
- Report to managers regarding to the studies progress.

Your Profile:

- Dipl. Ing. (FH), B.Sc. or M.Sc. in relevant field (e.g. Bio-pharmaceutical Industry, Biotechnology).
- Professional experience in the field of virology or cell culture is an advantage.
- Professional experience in biomolecules purification techniques, downstream processes such as chromatography (e.g. ÄKTA), filtration, precipitation.
- Accurate, diligent, organized, proactive.
- GLP knowledge / experience is an advantage.
- Very good knowledge of English and good IT skills.
- Very good communication skills.
- Very good documentation skills (GDP)
- Willingness to wear personal protective equipment when handling biological agents, chemicals, etc.
- Willingness to learn, flexibility, team spirit.

What we offer:

- Full-time position (40 hours per week) in an established company with flat hierarchies and short decision-making paths.
- Internal training on GLP Study Director function
- A high degree of personal responsibility and a large amount of freedom to make decisions.
- Opportunities for personal and professional development and internal/external training.

VIRUSURE

Quality is no coincidence

- Regular team and company events in a relaxed atmosphere.
- Equipped with the highest quality equipment.
- Salary according to experience

How to apply?

If you are interested in this exciting position, a friendly working environment is important to you and you want to support our team, please send your CV to: Fr Dijana Vasiljkovic (Assistant to CEO) humanresources@virusure.com
