

GLP STUDY DIRECTOR (m/w/d) in Vienna / Austria for 40 hours a week

Virusure is a biotech company, GLP/GMP certified, expert in virus & prion safety testing of biopharmaceuticals offering a broad range of services (in-vivo and in-vitro GMP testing, GLP safety studies, qPCR testing & sequencing services...). GLP studies are investigations on the ability of a biopharmaceutical product's manufacturing purification process to remove or inactivate viral agents to provide assurance of the virus safety of the product, as detailed in international guidelines. Virusure has been involved in the design and execution of GLP virus clearance studies for over 15 years. In order to strengthen our team, we are looking for highly motivated GLP study director candidates with biotechnological and industrial background.

Tasks & Responsibilities:

- Conduct of GLP virus and prion studies including design of scale-down model of manufacturing process steps, planning & performance of experiments, data analysis, interpretation, and reporting.
- Ability to work on multiple projects with challenging timelines
- Support to other Study Directors.
- Communication with clients from the design until completion of the study.
- Strong focus on quality by ensuring GLP compliance.
- Report to managers regarding to the studies progress.

Your Profile:

- Dipl. Ing. (FH), B.Sc., M.Sc. in relevant field (e.g. Bio-pharmaceutical Industry, Biotechnology)
- GLP/GMP knowledge and experience is an advantage
- Experience in the bio-pharmaceutical industry is an advantage
- experience in biomolecules purification techniques
- Accurate, diligent, organized and proactive
- Very good knowledge of English and good IT skills
- Very good communication skills.
- Willingness to work with infectious biological agents (i.e. viruses or prions)
- Willingness to wear personal protective equipment when handling biological agents, chemicals, etc.
- Willingness to learn, flexibility, team spirit.
- Willingness to do shift work (i.e. morning or late shift), potentially required due to the long duration of some processes to be performed

What we offer:

- Full-time position (40 hours) in an established company with flat hierarchies and short decision-making paths
- Intensive internal training to acquire the GLP Study Director function
- A high degree of personal responsibility and a large amount of freedom to make decisions
- A lot of freedom for personal and professional development and training

VIRUSURE

Quality is no coincidence

- A dynamic, friendly and exciting growing environment
- Regular team and company events in a relaxed atmosphere
- Flexible working
- The monthly gross salary on a full-time basis is 2800€ and can be adjusted depending on experience and qualification.

How to apply?
